DG SBP Zulfiqar Ghumman inspects all arrangements before the start of first Pak-World XI T20 match

LAHORE: (Sept 12, 2017): Director General Sports Punjab Zulfiqar Ahmed Ghumman, on Tuesday inspected CC TV Control Room, Emergency Response Centre and 20-bed makeshift hospital in Nishtar Park Sports Complex before the start of first T20 match between Pakistan and World XI T20 at Gaddafi Stadium.

Director General Sports Punjab Zulfiqar Ahmed Ghumman issued necessary instructions to staff concerned to avoid any inconvenience during the high-voltage cricket clash.

Talking to media on this occasion, DG SBP Zulfiqar Ghumman said the role of Punjab govt in the revival of international cricket in Pakistan is highly appreciable. He informed that officials of WASA, LESCO, LDA, Lahore Waste Management Company and other departments will remain present in the Emergency Response Centre throughout the series. "Our modern surveillance system covers every nook and corner of Nishtar Park Sports Complex including Gaddafi Stadium through 92 CC TV cameras," he added.

Director General Sports Punjab Zulfiqar Ahmed Ghumman said the tour of World XI is definitely a major breakthrough for the revival of international cricket in Pakistan. "After the tour of World XI, several international cricket teams including Sri Lanka, West Indies will tour Pakistan in the coming months," he expressed his hope.
