### **Pakistan is a safe country for international sports activities, DG SBP Zulfiqar Ghumman assures VIP security to other int'l sports teams**

LAHORE: (Sept 15, 2017): The successful World XI tour is a big evidence that Pakistan is a safe country for international sports activities and there is no threat to any international sports team throughout the country, this was stated by Director General Sports Punjab Zulfiqar Ahmed Ghumman in a statement on Friday.

Director General Sports Punjab Zulfiqar Ahmed Ghumman invited other international sports teams of the world and assured them VIP security during their tour. "We will provide foolproof security to our guest sports teams. The successful World XI tour is a great message to the entire world that Pakistan is a country of peaceful and sports-loving people," he added.

DG SBP Zulfiqar Ghumman further said that the tour of World XI will be helpful to a great extent in promoting sports culture in Pakistan. "The visit of stare-studded Int'l XI has immense importance for Pakistan because the confidence of other international sports teams will be restored after this key tour. The local sports lovers also watched top level and exciting cricket after a long time at their home ground," he explained.

DG SBP Zulfiqar Ghumman lauded the role of Pakistan Cricket Board, Sports Board Punjab, Punjab Police, Wasa, LESCO, Health Department, District administration and Lahore Waste Management Company in making it a successful programme. "Sports Board Punjab also provided best and international standard facilities to cricket lovers during the 3-match T20 Independence Cup series," he elaborated.

"CC TV Control Room, Emergency Response Centre and makeshift hospital in Nishtar Park Sports Complex also played a key part in making it a successful series between Pakistan and World XI T20".
