Chairman Steering Committee Sports Hanif Abbasi sees bright sports culture in province

Numerous sports development projects under way: Secretary Sports Punjab Aamir Jan

LAHORE: (Nov 15, 2017): Chairman Steering Committee Sports Punjab Hanif Abbasi presided over an important meeting about the sports development projects at National Hockey Stadium on Wednesday. The status of progress in various sports projects were reviewed during the high-profile meeting.

Secretary Sports Punjab Muhammad Aamir Jan, Deputy Secretary Planning (Sports Department) Tehmina Habib, Director Admin Javed Rasheed Chohan and district sports officers attended the meeting.

Chairman Steering Committee Sports Punjab and Secretary Sports Punjab were given detailed briefing about the under progress projects in the province.

Addressing the meeting, Chairman Steering Committee Sports Punjab Hanif Abbasi said that sports is among the top priorities of Punjab govt. "Various sports projects have been launched in several cities and after the completion of these projects the sports culture will get huge boost in the province".

Chairman Steering Committee Sports Punjab Hanif Abbasi directed the concerned officers to complete the remaining work on sports projects as early as possible. No complacency will be tolerated in this regard. "After the completion of these projects, the youth of the province will get sports facilities near their doorsteps.

Secretary Sports Punjab Muhammad Aamir Jan, while addressing the meeting said the construction work is under way in numerous sports development projects in the province. "All the sports development projects will be completed on time and the concerned officials have been issued directions in this regard," he informed.

Secretary Sports Punjab Muhammad Aamir Jan said after the completion of sports development projects, the sports culture will grow in the province and the talented youth will be able to feature in more sports activities in their own localities.
