Promotion of sports culture among top priorities for Punjab govt: Chairman Steering Committee Sports Punjab Hanif Abbasi

LAHORE (Sept 21, 2017): Chairman Steering Committee Sports Punjab Hanif Abbasi has said that sports is among the top priorities of Punjab govt. Several sports projects have been started to provide best sports facilities to youth of the province, he expressed these views while presiding over an important meeting about the sports development projects at National Hockey Stadium on Thursday.

Director General Sports Punjab Zulfiqar Ahmed Ghumman and officers from LDA and Commissioner Office also attended the meeting. LDA and NESPAK officers gave detailed briefing about the under progress projects in Kasur, Sheikhpura, Nankana Sahib and Shakhkot. The officers told the meeting that these projects will be completed in near future.

Chairman Steering Committee Sports Punjab Hanif Abbasi informed the meeting that various sports projects are in the final stages and after the completion of these projects the sports culture will get huge boost in the province. He appreciated the construction work and advised the concerned officers to complete the remaining work as early as possible. "After the completion of these projects, we will request Chief Minister Punjab Shahbaz Sharif for the inauguration of these projects," he added.

Hanif Abbasi said the youth of the province will get sports facilities near their doorsteps shortly in the shape of above-mentioned projects. "The youth of the province must polish their talent through these top standard sports facilities," he stressed. He directed the concerned officials to provide clean water in the vicinities of these projects.

Director General Sports Punjab Zulfiqar Ahmed Ghumman, on this occasion said Punjab govt put up special emphasis on the promotion of sports culture and the sports projects in Kasur, Sheikhpura, Nankana Sahib and Shakhkot are big proof in this regard.
