Director Sports Anees Sheikh says Quaid Games a golden opportunity for talented youth

LAHORE (Dec 22, 2017): Director Sports Muhammad Anees Sheikh said that the forthcoming Quaid-i-Azam Inter-Provincial Games will be a golden opportunity for talented youth to demonstrate their potential; he expressed these views during his visit to Punjab boys hockey camp at National Hockey Stadium on Friday.

Deputy Director Admin Tariq Wattoo and senior provincial coach Nawaz Dogar were also present on this occasion.

While encouraging the young players, Director Sports Muhammad Anees Sheikh said: “Our players can get huge success if they play with national zeal in the Quaid-i-Azam Inter-Provincial Games being organised at Islamabad from December 25-29, 2017”.

Director Sports Muhammad Anees Sheikh urged the Punjab contingent players to show passion and hard work because no one can gain success without these two ingredients. “Sports Board Punjab has provided best facilities during training camps. Expert coaches were there to train camp probables. Now it’s players’ turn to show handsome performances in their respective games during the mega event,” he added.
